01 / 03 • FOR PEOPLE HIRING

Need a helping hand? Start here.

From your task to the right connection.

1

Create an account

Verify your email and phone number.

2

Post a job for free

Describe the task, area and timing.

3

Wait for listing review

Add details if more information is requested.

4

Compare proposals

Review profiles and find a suitable worker.

5

Send a hiring invitation

The worker confirms they accept the job.

6

Work together & review

Agree on pay directly; review only a worker you hired.

Both parties agree on and pay for the work directly. Jobbivu does not hold work payments.

03 / 03 • REFERRALS & COMMISSIONS

Introduce Jobbivu. Track your commissions.

Reconcile first. Confirm your statement before payout.

1. **Join the Affiliate program**
   Accept the terms and get your referral link.
2. **Refer new members**
   Only eligible real payments earn commission.
3. **Wait for the holding period**
   At least 30 days; funds must remain eligible.
4. **Complete payout setup**
   Verify with Stripe; eligible balance of at least USD 20.
5. **Reconcile before payout**
   History is checked before a PDF statement is prepared.
6. **Accept on the statement page**
   Review the PDF. In your account, tick both confirmations and accept the exact total.
7. **Payout after final checks pass**
   The system processes it and updates payout history.

Opening email/PDF is not acceptance. GIF earns no commission. Resolve discrepancies, refunds and disputes first.
